UN TUFFO NELLA SCAFA UN PLONGON À LA SCAFA

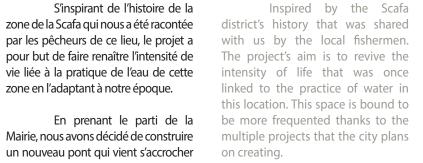

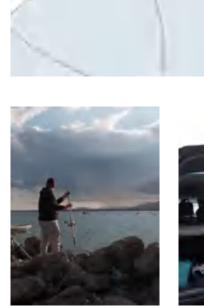

This bridge is a walkable piétonne et cycliste par rapport au and cyclable alternative to the main pont d'à côté uniquement réservé aux bridge (a few hundreds of meters north) which is exclusively used by motor vehicles. This new bridge also allows us to link between two water Giorgino, autrefois très populaire, et le activities; the Giorgino beach which was previously very popular, and our new swimming pool project.

> The project which consists half fold and half cave. The raw and

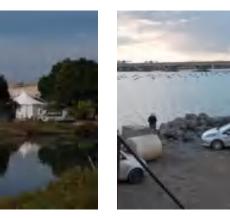

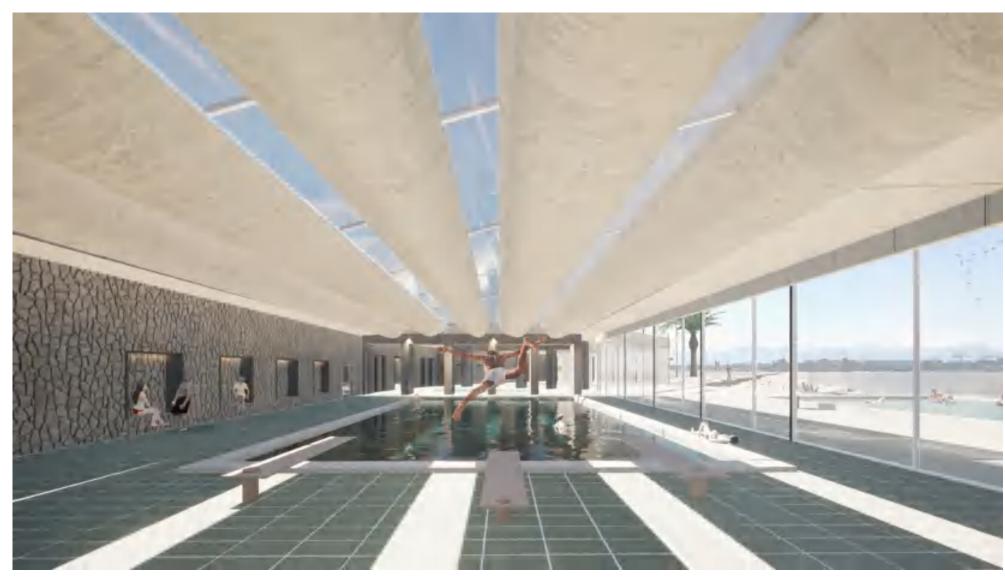

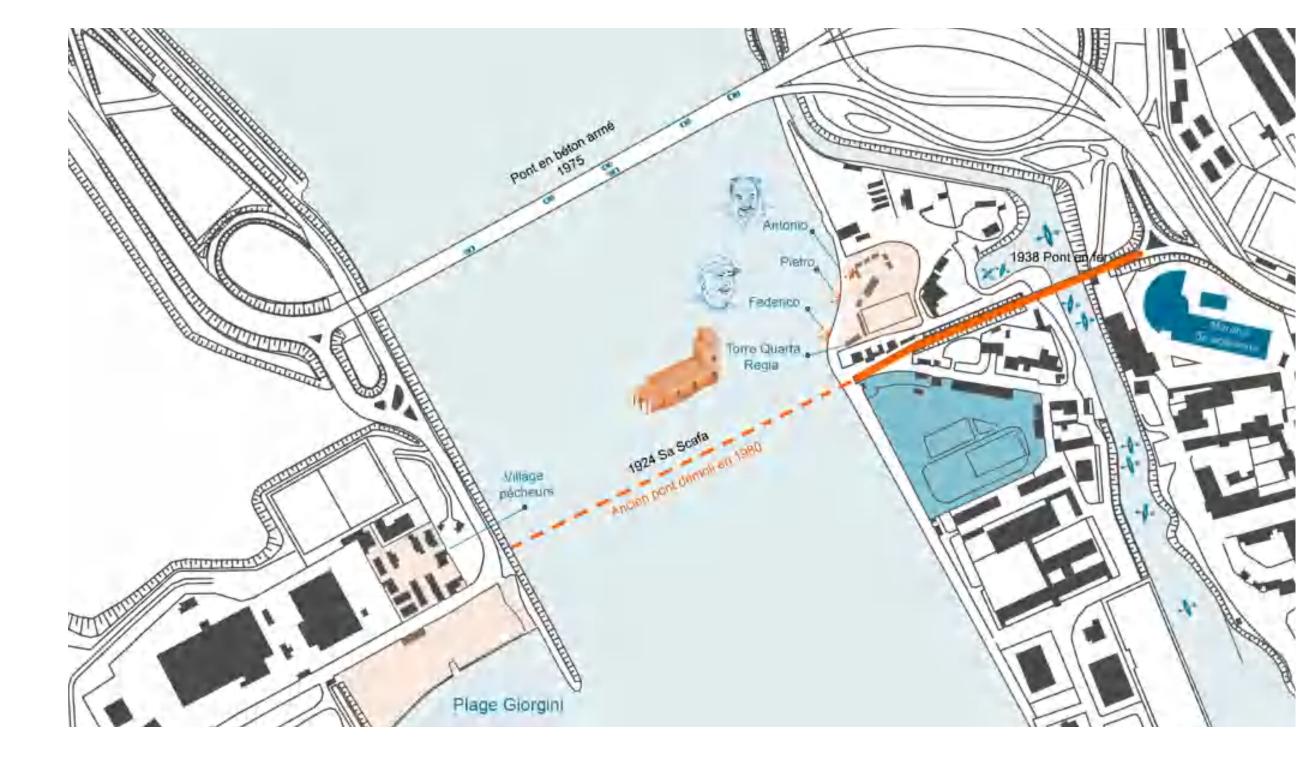

children's pool.
